

Applications

- Event Photography
- Retail
- Kiosk
- Government

High capacity

With more prints possible due to the media capacity and easy media changing, the robust CY-02 printer ensures users spend less time at the printer and more time focusing on customers.

Full performance and control

The CY-02 produces 700 4 x 6 inch (10 x 15cm) or 350 6 x 8 inch (15 x 20cm) prints per roll, while monitoring tools and drivers ensure users are in complete control of all printer functions at all times.
